Our Toddler Class

The Toddler Class has a mixture of developmentally age appropriate activities, sensory based play centers, and hands-on learning time throughout the day. This is designed for children who are 2 ½ to 3 years old. Through stories, songs, and exploration, your child will be developing language, self-help, and socialization skills.

This may be a big adjustment for you and your child. We want to make this a positive time as your Toddler gets used to the daily routine of a school day. We want to make sure your child has a good experience and feels secure and supported. This is a big step in their preparation for transitioning over to Little Angel Preschool.

We will love, encourage and guide your child in a warm and nurturing environment. The goal is to help them to develop a sense of self, build confidence in trying new things, learn to cooperate with and respect others, and to increase their communication skills.

Our Staff

We are very blessed to have such an accomplished staff! Our lead teachers hold either Master's or Bachelor's degrees in Early Childhood education and our assistant teachers hold Associates degrees or possess extensive work experience with children. Most of our teachers and assistants have been with us for many years. In addition, our staff is also trained in CPR, BLS and First Aid.

The staff is well trained in our Christian based curriculum which is very strong in Phonics. All staff works together to provide the best well-rounded education possible for your child. Teachers communicate with each other to ensure that the curriculum flows in such a way that there are no learning gaps between classes. We consider it a privilege to serve the families in our community.
