

Little Angel Preschool

Welcome to our family.

Welcome to Little Angel Preschool!

We are so excited that your family is considering our school for the start of your child's academic journey. We look forward to getting to know you and your child in the school year ahead.

At Little Angel Preschool, we offer a quality program that fosters little learners as they explore, inquire, and grow. We believe that the early childhood years are pivotal in the development of children, and we recognize the amount of growth that occurs in the first five years of life. We are a loving, safe environment in which children can develop socially, be challenged academically, and are encouraged to express themselves creatively.

Little Angel Preschool holds tightly to our Christian beliefs and is committed to incorporating the love of Jesus into our curriculum. We do not emphasize doctrine but rather teach lessons and practical life applications in which Biblical principles and morals are used. When your child concludes their time with us, it is our goal that they walk away with the knowledge that God loves them, they are important and special to Him, and God has a plan for their life.

Our program heavily focuses on a partnership between families and teachers. It is our desire to become an extension of your family and part of your village as we work together to create the best possible school experience for your child.

We believe that children deserve the best start in life and we are committed and privileged to be a part of their development.

Sincerely,

Julia Ferrara

Quick Facts about LCA and LAP

How long has Life Center Academy and Little Angel Preschool been in the community?

LCA was established in 1975 and LAP was established in 1992.

Is the school affiliated with a church?

LCA & LAP are affiliated with Fountain of Life Church, which is located on the campus. Please feel free to visit us at our Burlington campus or our Trenton campus one Sunday morning!

Does LAP have a lunch program?

Yes, we provide lunch each day for an additional cost. This program is optional for families and is not required.

Are snacks school provided?

Yes, snacks are included in the cost of tuition for each child. We offer a morning snack and an afternoon snack (for full day students). Some of our snacks include bagels and cream cheese, hummus and pretzels, pancakes and applesauce, cheddar crackers, and animal crackers.

Is there a Biblical, Christian emphasis in the program?

Strong Biblical instruction is a pivotal part of our programming at LCA and LAP. We aim to introduce students to a strong moral foundation as well as allowing them the opportunity to have a relationship with Jesus. In LAP, Biblical instruction is covered through weekly Bible stories, monthly Scripture verses, and emphasis on character values throughout the year.

Does the school offer Financial Aid?

Financial Aid is available for Life Center Academy but is not currently available for Little Angel Preschool.

Is Life Center Academy and Little Angel Preschool an accredited program?

Life Center Academy holds several accreditations, including Middle States Accreditation and is fully accredited with the Association of Christian Teachers and Schools (ACTS). Little Angel Preschool is currently accredited in our PreK program with ACTS and is seeking full accreditation soon.

A Dive into our Curriculum

Like many schools, curriculum is an extremely important part of our program. We utilize Learning Without Tears in our Preschool classroom and Abeka in our PreK program. At Little Angel Preschool, we have a few goals that make our curriculum a step above the rest.

Biblical Character Development

Our Christian values are of utmost importance and are woven into each aspect of our program. As part of our Bible curriculum, we work on monthly scripture verses, weekly stories, and character development themes. Some of these themes that we focus on are thankfulness, kindness, honesty, and obedience - just to name a few!

Kindergarten Preparation

Each aspect of our curriculum points to the overall goal of Kindergarten preparedness. When Little Angel Preschool students enter Kindergarten, we want the transition to be smooth and easy. Students are prepared for Kindergarten by the structure found in our PreK classrooms and the investment by teachers into their academic work. Teachers develop lesson plans that meet students' academic needs and intentionally point towards Kindergarten standards. Our PreK students are even introduced to beginning reading skills prior to entering Kindergarten.

Inquiry Based Learning

While Kindergarten preparedness is a major goal, we recognize the importance of play based learning in a preschool setting. Teachers are encouraged to develop lessons that focus on keeping the students active and engaged through play. Whether it is social development through sharing, math development through counting legos, or pre-writing development by playing with a sand tray - students' minds will remain engaged all morning long!

and More!

Your child will not only be exposed to a standard Preschool curriculum but we also love to incorporate other cultures, the arts, and more into our monthly themes. Students will participate in a Spanish class, learn about new artists and composers each month, as well as STEAM activities throughout the week.

Why choose Little Angel Preschool?

- ✓ Loving, caring teachers
- ✓ Family focused partnership

What are other families saying?

"We love Little Angel Preschool! My son has grown so much these past few months. His language has exploded and we are thrilled with the progress he has made. He has gained so much confidence at school. We cannot thank all of you enough!"

"I just want to tell you that I am over the moon beyond impressed with Little Angels. I cannot tell you what an amazing experience it has been, so far. The teachers are amazing, they have things so greatly structured and well-organized. I am elated all day to get updates about my daughter and see her playing and learning with her new friends. You have a wonderful thing going on."

"Little Angel Preschool at Life Center Academy has provided my son with a jumpstart to learning and is giving him positive educational experiences every day. I noticed an immediate change in my son's academic abilities after enrolling him here. Not only am I confident that he will be prepared for Kindergarten, but his learning at Little Angel Preschool has also paved the way for future academic success. We appreciate the dedicated teachers and staff, they provide meaningful and creative lessons. This school is truly the best!"

"As an overall school, your attention to detail is beyond impressive. The projects, dress up days, the concert, special days, end of the year celebration... are all so beautifully carried out."

Interested in Enrolling? Follow these simple steps below:

1. Sign up to take a tour of the school with your child. We encourage parents to bring their child with them, allowing us to begin a strong partnership from the very beginning!
2. Apply to Little Angel Preschool using the link that is provided to you.

If spots are currently available:

We will contact you to let you know that we are able to enroll your child!

There will be a few additional forms* to complete...

- Financial Agreement
- Handbook Agreement
- Child Pick Up and Emergency Authorization Form
- Submit your child's birth certificate & immunization records
- Submit any proof of discount documents needed

*All documents must be submitted for your child to begin at LAP. Failure to submit these documents will delay your child's start date.

If there is not any room at the moment:

We will contact you to let you know that we are not currently able to enroll your child.

You may choose to remain on our waitlist and we will contact you if any spots open or become available.

If a spot does become available during the current school year, we will contact you via email.

If no spots become available during the current year, we will email you during enrollment to see if you would like to attend the following school year (September).
