

Little Angel Preschool

Welcome to our family.

Welcome to Little Angel Preschool!

We are so excited that your family is considering our school for the start of your child's academic journey. We look forward to getting to know you and your child in the school year ahead.

At Little Angel Preschool, we offer a quality program that fosters little learners as they explore, inquire, and grow. We believe that the early childhood years are pivotal in the development of children and we recognize the amount of growth that occurs in the first five years of life. We are a loving, safe environment in which children can develop socially, be challenged academically, and are encouraged to express themselves creatively.

Little Angel Preschool holds tightly to our Christian beliefs and is committed to incorporating the love of Jesus into our curriculum. We do not emphasize doctrine, but rather teach lessons and practical life applications in which Biblical principles and morals are used. When your child concludes their time with us, it is our goal that they walk away with the knowledge that God loves them, they are important and special to Him, and God has a plan for their life.

Our program heavily focuses on a partnership between families and teachers. It is our desire to become an extension of your family and part of your village as we work together to create the best possible school experience for your child.

We believe that children deserve the best start in life and we are committed and privileged to be a part of their development.

Sincerely,

Julia Ferrara

Mission Statement

Little Angel Preschool at Life Center Academy is a Christian school committed to preparing students for life.

Vision Statement

Little Angel Preschool desires that each child experiences the love of Jesus in a safe and nurturing environment. It is our goal to meet their academic, spiritual, emotional, and physical needs while instilling excellence, kindness, and respect for all.

Core Values

Faith: We live out our faith by practicing the ways of Jesus.

Community: Building community within our walls and engaging the community outside our walls.

Servanthood: Developing a lifestyle of service in our homes, communities, and the world.

Excellence: Continually giving our best in everything we do.

Generosity: Blessing others by giving of our time, resources, and talents.

About Us

Little Angel Preschool at Life Center Academy is an outreach of the Fountain of Life Center. It exists to provide a quality education in a Christian environment. All of our courses are taught from a Biblical perspective. Our curriculum lays a solid foundation with innovative, creative instruction. Our religious education emphasizes the teaching of Christian principles and life skills, and de-emphasizes religious doctrine and denominationalism. The ultimate goal of LCA is to train each student in the ways of God, to give each student an opportunity to have a personal relationship with God through Jesus Christ, to help each student reach his or her maximum potential, and upon entering adulthood to go out into the community and serve God in whatever capacity they believe God leads them.

Curriculum

Little Angel Preschool uses Abeka (PreK) and Learning Without Tears (Preschool) as a foundation for our curriculum. Lead teachers work to meet the individual needs of the learners in their classroom by adding hands on activities, additional concepts, and interactive play. Our curriculum includes language and literacy activities, math and other cognitive concepts, art, fine motor skills, Bible, character development, Spanish, and so much more!

Lunch

Meal times are a crucial part to a child’s growth by providing time to develop conversation skills and manners. Teachers join students at the table while they eat to help facilitate students learning these emerging skills. LAP provides a morning and afternoon snack each day. Parents supply their child’s lunch or may purchase a lunch at an additional cost.

Uniforms

Have a simple and easy morning routine by wearing our school uniform shirt each day! Uniforms can be purchased directly online through Flynn & O’Hara, the same company our K-12 school utilizes.

Parent Communication

Communication between teacher and parent is such an important step to ensuring that your child has a great day! Parents can use the Tadpoles app to communicate with the school, receive pictures, send messages, and see what your child is learning.

So what is my child doing all day?

What a great question! We are so glad you asked!

Your child's brain will be hard at work all throughout the day! From small group academic work and hands-on learning centers to gross motor play and Spanish class - Little Angel Preschool provides an all inclusive academic day filled with learning, fun, and movement!

Why choose Little Angel Preschool?

✓ Loving, caring teachers

✓ Family focused partnership

✓ Christ-centered environment

✓ Character Development program

✓ Strong curriculum

✓ Flexible schedule options

What are other families saying?

"We love Little Angel Preschool! My son has grown so much these past few months. His language has exploded and we are thrilled with the progress he has made. He has gained so much confidence at school. We cannot thank all of you enough!"

"I just want to tell you that I am over the moon beyond impressed with Little Angels. I cannot tell you what an amazing experience it has been, so far. The teachers are amazing, they have things so greatly structured and well-organized. I am elated all day to get updates about my daughter and see her playing and learning with her new friends. You have a wonderful thing going on."

"Little Angel Preschool at Life Center Academy has provided my son with a jumpstart to learning and is giving him positive educational experiences every day. I noticed an immediate change in my son's academic abilities after enrolling him here. Not only am I confident that he will be prepared for Kindergarten, but his learning at Little Angel Preschool has also paved the way for future academic success. We appreciate the dedicated teachers and staff, they provide meaningful and creative lessons. This school is truly the best!"

"As an overall school, your attention to detail is beyond impressive. The projects, dress up days, the concert, special days, end of the year celebration... are all so beautifully carried out."
