LEGACY WALK-A-THON

Saturday, May 4

Life Center Academy has a long tradition of graduating students who have gone on to provide leadership in all areas of our society, including law, medicine, missions, humanitarian and government service. Without financial assistance from those who are firm believers in Christian education, some students would not be able to benefit from the strong Christian education that Life Center Academy provides.

The Legacy Walk-a-thon was created by those individuals who are committed to Christian education to raise money for scholarships so students with strong leadership potential can benefit from a quality Christian education at Life Center Academy. Together we can help make a Christian education a reality for a future Christian Leader who will leave a legacy.

Our walk-a-thon will be a fun and fit activity for all ages, with everyone reaching 10 kilometers or their personal best distance. Students and adults can set realistic goals based on age and development. Drinks and snacks will be provided.

You can walk as an individual or form a team in memory of someone who has left a legacy in your life. If you walk as a team we would like for you to create a team name and set a team fundraising goal. On the day of the walkathon we will have a Wall of Memories. The Wall of Memories is a way to honor and celebrate those that we are walking for. The Wall will proudly displays photos and stories during the Walk to inspire us and fuel our mission to encourage students to be strong Christian leaders. Teams are encouraged to wear shirts in memory of the person they're walking for.

We hope that each family will participate in the walk-a-thon to the best of their ability. We're hoping to make this walk-a-thon the best ever, so the more contributions you raise, the more successful we'll be at achieving our goal. Thank you very much for your participation!

Prizes will be awarded for each individual who reaches a goal level. Goal levels and prizes listed below:
